Please Keep Your Stamps
Just a reminder that Miss Agars from the Resource Centre collects used postage stamps and sends them to the Josephite nuns in Peru. You do not need to remove the stamps from the paper they are on, as they have helpers to do that. All stamps will be valuable to them, especially as they are becoming rarer in this digital age. Just drop them into the Front Office or children can put them in their office boxes so they can be forwarded to Miss Agars.

Thinking of uni study?

Come along to the Tertiary Information Evening if you are

- a student or parent

Monday 5 May, 7:30–8:30pm
St Joseph’s School, Port Lincoln
No registration required.
Information about Tertiary Information Evenings (TIE)

Ever thought about further education? Perhaps you've had a break and want to return to study? Have you deferred and want to start uni as soon as possible? The Tertiary Information Evening is a great chance for you to hear all about your study options and talk one on one to a representative from Flinders University and the University of South Australia.

What is talked about at the Tertiary Information Evening?

The Tertiary Information Evening covers a wide range of topics such as fees, accommodation, scholarships, application procedures, timelines and selection to university. Participants are encouraged to ask questions throughout the session and are also given the opportunity to speak with each institution individually.

Who is present?

Flinders University and the University of South Australia send a Prospective Student Advisor to answer all of your questions and give detailed advice.

Who should attend?

Anyone who is thinking of attending university should attend - parents, school students, adult entry students and members of the community who are thinking of further study but don’t know where to start. In recent years our sessions have become extremely popular with students who have deferred and/or taken a gap year.

Is registration required?

There is no need to register for the evenings.

What time does the evening start?

As we are only in your town for one night the presentation starts at 7.30pm sharp so that we can spend adequate time answering your questions. We aim to conclude by 8.30pm
