SPORTS VOUCHERS
The Sports Voucher Program is a new government initiative for all Primary school-aged (F -7) students in South Australia. Organised sport is a great way for children to be active and stay healthy. The Sports Vouchers can be used to encourage your child to try a new sport or to keep your child playing the sport they are already involved in. The vouchers can be used to subsidise membership or participation fees for a sporting activity. From March 2015, you can visit the Sports Voucher website: www.sportsvouchers.sa.gov.au for more information. A fact sheet and short video explaining the program can be found on the Sports Vouchers website. If you require any additional information or assistance please email: sportsvouchers@sa.gov.au
