COVID Update #3

Dear Parents,

As our first day of remote learning comes to a close, I congratulate you for supporting your children with their learning in such a positive way. I did see many of you during the morning check-in meetings on Teams, that each Class/PC teacher hosted. It is during these meetings that teachers will take the daily roll. There were a few technical hitches for some students, parents and teachers who were doing something new, but it was fantastic to witness so much resilience and so many smiling faces.

During this lock down, I encourage all students and families to stay connected with their teachers and our school, through SEQTA (for learning Years 7-12), Dojo (for learning Years R-6) and the daily Teams meetings with Class/PC teachers at the same time each day. See below for a reminder of times for Class/PC meeting times:

Information about the school's response to COVID will come through your emails and will be available from the website too. FB will be used to keep our spirits up and let you know when to check your emails for a new update. You are able to email any staff member with a question about the learning or about our school. Teachers will endeavour to answer emails in a timely manner, during the hours of 8:30 am-3:30 pm. We also have a skeleton admin team on site, so you are also welcome to ring the school if you need a quick response to your query.

Director of Catholic Education SA, Neil McGoran, has recorded a video message for families and caregivers, which I am sharing with you all. <https://www.cesa.catholic.edu.au/news/alerts>

I hope you all stay warm and take care.

Kind regards

Catherine Gurr
