COVID UPDATE #4

Dear Parents

While this wasn't the start to Term 3 that we were expecting, I want to thank each and every student and family for the way you have handled the challenges of this week. I also want to thank our staff for their care, professionalism, and resilience as we have moved to remote learning.

As you are aware, the lockdown will continue into next week, up until Tuesday evening at this stage. We will update you if/as more information becomes available.

Our school will remain open on Monday and Tuesday for the care of children of essential workers. As always, **students should not attend if they are unwell** or are required to self-isolate by SA Health.

We are prepared for remote learning to continue next week. Class/PC check-in meetings will continue daily and the roll will be taken at these meetings. See below for Class/PC meeting times:

SA Health will advise us directly if there is a case that impacts our school community. If you have any urgent concerns over the weekend, please contact the school at info@sjspl.catholic.edu.au

I wish you all a restful and relaxing weekend – maybe watching the Olympics! Whatever you are doing, I hope you are able to strengthen connections with your loved ones and care for those who may be feeling isolated at this time.

Kind regards
