COVID Update #6

Dear Families,

In the Premier's Conference today, a number of changes impacting on schools were announced. Please note, the following information:

Masks

Masks must continue to be worn by students in Year 7-12 and all adults working in and visiting the school site.

Parents on Site

We are asked to continue to limit the number of parents on site. In the spirit of this recommendation, we would ask that parents and caregivers continue to drop students at one of the gates to our school. If parents need to enter the site, they must check in, wear a mask and practice physical distancing.

For this reason, Parent/Teacher/Student Learning Conversations will be held online. Parents should book in as they would usually do and then use the link emailed, to 'join' the learning conversation. Students should be present for these conversations. We are discussing their learning and they don't necessarily need to be involved in the conversation. Any parents without email/computer access, will receive a phone call. Again, parents should book in as they usually would. If you don't have access to internet, please phone the school to request a phone interview.

From Thursday 5 August, the following activities can resume:

- playgroups (parents should wear masks where possible)
- whole school assemblies
- choir and dance rehearsals within the school
- all extracurricular activities within the school
- incursions, excursions and camps.
- events held within school or preschool grounds (such as performances and concerts) providing:
 - density requirements and physical distancing requirements are met by all attending adults
 - masks are worn by adults and students in secondary school who are not performing
 - all attendees are encouraged to COVID SAFE check in.
- school sports including interschool sport training, trials and competitions
- water safety/swimming/aquatic lessons.

I really appreciate your continued support with ensuring the health and well-being of our students and staff.

Kind regards,

Catherine Gurr
Principal
