I can’t believe it’s the end of Week 9 already. Although I am looking forward to the end of daylight savings only to find out that it doesn’t end until next weekend the 6th of April.

There is much happening at St Joseph’s over the next few weeks, as you will see on the pages following.

Good luck to our Secondary athletes Interschool who travel to Port Augusta tomorrow to compete in the Annual Catholic Athletic Carnival against Samaritan (Whyalla), St Mark’s (Port Pirie), St Barbara’s (Roxby Downs) and Caritas (Port Augusta).

Special thanks to all involved in the Youth Mass last weekend. It was a great Mass and of course the Music was outstanding as usual.

Primary (F-6) year levels are gearing up ready for Parent/Child and Teacher interviews. This is a great opportunity to discuss your child’s progress with their class teacher. Please ensure that you take up this opportunity.

Congratulations
Following notification last week about Richard Horgan leaving St Joe’s at the end of the term, I am delighted to announce that Mr Paul Lands has accepted the Acting Deputy Principal position for the next three terms.

I’m sure you will join with me in congratulating Paul on this appointment.

What Our Students Say …

‘SAPSASA Swimming was a great experience for everyone. There was a great atmosphere and fantastic sportsmanship. Everyone swam their hardest and were proud to represent our School.’

Open Night
What a wonderful event that truly showcased our school in a magnificent light.

Very special thanks to the Parent Community Group, Staff and Students who contributed much time, effort and energy before and on the night. Thank you also to those who volunteered their services to cook and serve on the food stalls and also to those who kindly donated cakes and slices for the evening.

The classrooms looked fantastic and once again, our Music students, Singers and Choir kept us entertained with their beautiful music as did all other live performances.

School Archives and Old Scholars
The new addition of the ‘School Archives’ on Open Night was a great opportunity for many parents and grandparents to reminisce about the ‘old days’, and for current students to see what life was like at our school in the early years.

If you are an Old Scholar of St Joseph’s Port Lincoln, and haven’t registered on the Old Scholar’s list, please contact the school with your current contact details and years which you attended, or email mareee@stjoptli.catholic.edu.au with your details.

The St Joseph’s School, Port Lincoln, Old Scholars’ Evening, will be held on Saturday, 25th October, this year, so please save that date in your diary and notify your fellow classmates.

What a great chance to catch up! More details to come.

If you have any old photos (early years of St Joe’s up to the 70s) which would be suitable for our School Archives, please let Maree know at school, as we would love to make a copy of them, also any school photos or school activities you may have been involved in, which could be added to a powerpoint presentation which will be played on the evening.

Bernadette Lacey - Principal
It was wonderful to see everyone at Open Night last night and to showcase the achievement of students of St Joseph’s so far.

**FootSteps Dance**
Last week all classes from Foundation to Year 9 participated in FootSteps Dance lessons as part of the PE curriculum. Stephanie presented a varied, high-energy program throughout the week which saw significant learning in movement skills and dance protocol and fulfilled the programs’ aims of

- **Confidence**
- **Respect**
- **Coordination**
- **Enjoyment**

Despite some protests, the smiles on students’ faces were testament to the enjoyment had in these sessions!

On Thursday after school, the disco was well attended by enthusiastic younger students and Year 4 – 7 students who showed great leadership with their involvement and encouragement of others. Vicki Taylor and Blue Light Disco had donated prizes and winners were chosen at the disco from children nominated by teachers for their willingness to “have a go” and for their efforts in lessons. All students nominated will receive House points for their Sports Day team.

Congratulations to **Edward Kutny, Hayley Walladge, Emily Shepherd, Molly Baldwin, Amali White and Ethan Pinnington** for winning the main prizes.

Thank you to all who contributed during the week to a very successful experience.

**National Young Leaders Day**
Yesterday Mr Mark Aldridge (Year 7/8 PC Coordinator) accompanied Year 7 SRC leaders **Brooklyn Binns, Emma Stefano, Isaac Grima** and **Tom Tape** to Adelaide for the Halogen Young Leaders Day. This is a wonderful opportunity and a very worthwhile training day for these students. Their report features in next week’s Newsletter.

**Student Support**
Much work has been undertaken by teachers and Student Support Coordinators Tara Clark and Bill Kannussaar already this year. Individual Education Plans are being written for many students in readiness for the National Data Collection in Term 3. All of our small group programs taken up again this year are now running well. We offer Levelled Literacy Intervention, Beat Dyslexia, Rainbow Reading, QuickSmart Maths, Fun & Games and the Fine Motor Skills program to significant numbers of students at various levels from Foundation to Year 6. Teachers and Education Support Officers who are trained to deliver the specific content put in a lot of their own time to make their sessions engaging and productive and support our students very well in these areas.

Recently, teachers have completed mandatory e-learning in the Disability Standards for Education.

**Exhibition**
Following their excursion to the Civic Hall Gallery to view the travelling exhibition from the National Gallery in Canberra, Year 3 students have written reports and Miss Dempsey’s Year 4s have created artworks to go into the local exhibition.

On Thursday 13th March we went on an excursion. First we looked at some pictures then we went into another room and looked at objects from the suitcase. One object was an aluminium palm torch, carved wooden heart pill box, aluminium hair chair combs, nylon double bowl, steel lizard pepper grinder and one very odd material – a coloured pencil brain! (Kayley - Year 3)

The brain was made from pencils that had to be cut and put into a brain shape. The artist then sanded over it. The lizard grinder was made of steel and can have pepper put in a little open up flap on the bottom. (Zephyr - Year 3)

**SciWorld**
SciWorld is coming to our School tomorrow and Foundation to Year 6 classes will visit the Stardome throughout the day. Performances include “I want to be a Scientist” Show, “Energy and Forces” show and the “Science Spectacular” show.

**Instrumental Music Lessons**
If your child has private Music lessons during the day at school, you may need to ensure that a reminder is given each time to them and their teacher. In the busyness of daily classroom activity, it is often difficult to remember these lessons.

Please work together with us to help it become part of your child’s routine.

**Karen Browne**
**Deputy Principal**
Our Year 10 students will travel to Canberra on Monday morning for a week long experience in our National Capital.

Year 11 students are participating in work experience from Monday to Friday. We thank the many local businesses who are hosting our students in their businesses.

Year 12 students will participate in a Retreat program at Thuruna from Wednesday.

We wish the staff and students all the best for a great week together.

Winter Uniform

Another reminder that all students are required to wear the full winter uniform as of the first day of Term 2, Tuesday 29th April.

It might be an idea to have students try on the winter uniform this week so new uniforms can be purchased next week if needed. Please check the student diary for all the details regarding winter uniform requirements.

Have a great week everyone

Mr Richard Horgan
Deputy Principal

St Joseph’s Day Activity

An advocacy program in Sào Paulo, Brazil, enables favela (city slum) residents to gain legal deeds for their land, as well as securing access to basic services. A youth empowerment program is enabling young people from the favelas, like Maristely, to work for justice so that peace, rather than violence, rules the streets where they live.

On St Joseph’s Day Mr Reichstein and Mrs Clark’s Year 10 and Miss Wandel’s Year 6 students worked together to re-create cardboard slum houses similar to those that formed the original favela in Brazil.

Your donation to Caritas Australia’s Project Compassion provides young people like Maristely with the opportunity to become leaders for justice. [www.caritas.org.au](http://www.caritas.org.au)
Family Bushfire Planning sessions are being offered to parents/care givers of students who attend St Joseph’s School.

Therese Pedler from the CFS will be available to work with individuals to develop their Families Bushfire Survival Plans.

Times are available from 9.00 am – 8.00 pm on Wednesday, May 21st

This opportunity is free of charge and will be provided in the School Board Room

If you are interested in utilising this opportunity please call Di Drennan on 86 82 36 55 to make an appointment.

Don’t forget to read the flyer with this newsletter on Camp Quality Puppets - they are here next Friday, 4th April.

If you are unable to attend on your rostered day, please contact Val Ingerson on 86823655 at school or 86826457 at home.
St Joseph’s Day

Last Wednesday was the Feast Day of St Joseph, our School’s Patron Saint, and the inspiration for Mary MacKillop to establish the Sisters of St Joseph. Due to other commitments, we celebrated this day on Tuesday 18th March. The whole school gathered for a Mass with Fr Brian Mathews, and students participated and lead the celebration. Fun cross-age activities were held after lunch with Primary and Secondary Buddy Classes. I thank all students and staff for their participation on this special day.

Reflection on Refugees and Asylum Seekers

At the JJAMM Retreat in Sydney earlier this year, School Captains Tom Barbala and Georgina Hughes attended with myself, considerable time was spent reflecting on social justice issues throughout the world. A question that was posed to the leaders of the Josephite schools in attendance was “If Mary MacKillop or Fr Julian Tenison Woods came to visit your community, what would they challenge?” Under the inspiration of St Joseph, Mary and Julian worked to care for the poor and needy of our communities, and to ensure all humans were treated with respect, equality and dignity. An issue in today’s society where this is not happening and where Mary or Julian might challenge us, is regarding refugees and asylum seekers.

Each Josephite school from Australia and New Zealand that attended JJAMM made a commitment to recognise this issue on St Joseph’s Day and to pray for those suffering through these circumstances. During St Joseph’s Day Mass last week, each SRC representative from Year 3-12 and a group of staff stood and held a lit candle, while Tom and Georgina delivered a reflection on the issue. A minute’s silence was held, followed by the liturgical choir singing ‘We are the World’.

It was certainly a poignant and moving occasion for the school community, where they stood together in solidarity for those whose human rights have been violated.

Following is the reflection that the School Captains delivered to the community on this issue.

In 2012, 45.2 million people were forced out of their homes. Of these, some 15.4 million people were classified as refugees. This culminated to 2.5 billion dollars in detention costs, in Australia alone.

Today we are celebrating the feast day of our patron saint, Saint Joseph. Saint Joseph was a refugee, a man of commitment to his family and faith. He, alongside Mary MacKillop, had many admirable qualities that inspire us, as students of a Josephite school today, to follow in their footsteps.

Mary Mackillop’s vision impels us to identify with those who are of today’s poor; those who are isolated, deprived, marginalised and rejected, those abused and lacking opportunity and choice.

Matthew’s gospel outlines to us that Saint Joseph was a refugee. Saint Joseph left Bethlehem to seek refuge in Egypt so as to protect himself, Mary and Jesus from the fierce ruling of King Herod.

In 1948, the United Nations Declaration of Human Rights was created and officially documented. It states that “Everyone has the right to life, liberty, and security of person.” It also outlines that “Everyone has the right to seek and enjoy in other countries asylum from persecution.”

This means that everyone has the right to live free from persecution, or from the fear of persecution. When governments fail to protect these human rights, people are given the right to move to a country that will protect them. This is classified as the right to asylum.

Through the very present issue of asylum seekers, refugees and, as they are commonly referred to as, boat-people, Human Rights are being violated today.

We ask you today to imagine yourself in the shoes of a refugee.

Imagine a country of riot, protest and persecution. For you, the idea and fear of death within the next 24 hours is very real. Imagine that as an act of pure love for your family, you decide to illegally, and therefore at the risk of being caught, board a boat.

You are unsure of the exact destination, however you pray that your journey is worth it.

Throughout the journey, you have limited food and water. You are kept in a confined space alongside many strangers, of whom you have never met, seen, or spoken to before. You have only the clothes on your back.

The conditions on board the boat are literally disgusting. The heat and stench is overwhelming, and that poor baby will not stop crying in your ear.

When you finally arrive at a country you previously had only ever heard of, you swim to shore in the battering waves, only to discover you are not welcome. The border security does not have time to listen to the severity of your story and your experiences. Even worse, you fear they do not care.
By lighting these candles today, we acknowledge the disruptive views on asylum seekers and refugees in Australia. We stand together in solidarity for the people in the world who have fled their homes, and are seeking refuge elsewhere. We acknowledge those people of whose human rights are being violated today.

The candles you hold represent the flame of freedom, which has been extinguished in asylum seekers, refugees, and those who couldn’t make it out of their own country.

Sacraments of Confirmation and First Holy Communion
Just wishing to inform families that these Sacraments will be celebrated next term. Classes will be preparing in lessons leading up to these dates. First Holy Communion (Year 4s) will be celebrated on Sunday 1st June, followed by Confirmation (Year 7) on Saturday 14th June (please note change from Sunday to Saturday from previous information issued). More information about these celebrations and preparation will be coming soon.

Year 7-12 End of Term Liturgy
On Friday 4th April, the Year 7-12 students will gather in the Church at 12.15pm to celebrate the end of term with a liturgy. It will be a chance for students to reflect on the term that has been, and to also ask God’s guidance on them during Activities Week and Holidays, in particular Easter. Families are welcome to join us at this celebration.

Project Compassion and Easter
All of our classes have been learning about Project Compassion, this year’s theme is: To Have Life and to Have it to the Full (John 10:10). Students are encouraged to bring along any loose change for their class’ Project Compassion boxes to support the work of Caritas Australia, who provide assistance to many struggling communities in Australia and across the world.

This year, the SRC will not be conducting the Easter Raffle as in previous years. Families are encouraged to bring a donation to school for Project Compassion if they wish, as well as donate Easter Eggs to school which will then be passed on to Port Lincoln St Vincent de Paul. We have supported St Vinnies at Easter each year for many years now, and I know they, and the less fortunate members of our community, will be grateful for any donations. The option of making a donation to Project Compassion or bring in an Easter Egg is entirely voluntary.

Road Safety & Illegal Parking

The school acknowledges the difficulty of picking up children, however, it is imperative that parents / guardians observe the road rules on roads inside and outside the school. In all cases they are enforceable by the Police under the Road Traffic Act.

In particular your cooperation is sought to ensure that you do not park illegally over the yellow line in the areas marked on Mortlock and Park Terrace. This matter has been observed by a concerned motorist and Police who have indicated that it is making it dangerous for other motorists by hindering their ability to see children.

In addition, the School discourages parents and guardians from parking in the area that has been recently bituminized off Park Terrace between the Telstra Building and the cricket nets. There is a high level of foot traffic, including quite young children, along this path. Maintenance personnel have been instructed to lock this gate.

The School has a policy that no vehicles are to be driven into the yard and oval areas between 8:00 am and 3:30 pm. The only exception here is when unplanned access is required whereby a member of staff will lead the vehicle in and out. Accordingly we seek the support of all Parents /Guardians in abiding by these rules for the safety of all concerned.

Great Effort, Zoey!

On the 9th March, I participated in the Lions ‘Youth of the Year’ quest at Zone Finals. What a fantastic experience. I gained some great life skills for interviews, thinking on the spot, communicating effectively and of course, public speaking. I met some very courageous and supportive people along the way.

Unfortunately, I did not win overall to advance to the next level, but I did win the Public Speaking Award.

I like to think that all of the contestants won in our own way. We had nothing to lose, but much to gain.

If you are aged between 15 and 19, head down to your local Lions Club and get involved for 2015. You won’t regret it.

There will be multicultural food stalls, local young performers and a Japanese arts and crafts stall which includes a “kendama toy challenge”. You are most welcome to attend.
Lower Eyre Peninsula SAPSASA Swimming - Adelaide Friday 21\textsuperscript{st} March 2014

On Friday, 18 students from Saint Joseph’s School represented Lower Eyre Peninsula in the SAPSASA Swimming Team. The Swimmers competed at the Marion Swim Centre, this was an amazing experience for the students to swim in a 50m Olympic accredited pool.

\textbf{Kellie Dennis} was voted female captain by her peers.

Lower Eyre Peninsula finished \textit{second} for the day by 10 points.

This was a great result, with some students receiving medals for their outstanding swims. Medals were presented on the dais, just like the Olympics.

Monique Calabro
Hi everybody, you’ve probably all seen me around by now but I started at St Joseph’s last year. I teach many instruments – clarinet, flute, saxophone, trumpet and trombone. I also run the Intermediate Stage Band, Junior Stage Band and the Senior Vocal Ensemble. You will have also seen me working with the Year 5’s in their Music classes!

Robert Kroemer
I have been teaching guitar and bass at St Joseph’s School since 2002. Previously I have taught Music and Engineering for TAFE in South Australia and North Queensland. I also studied guitar with Australian Guild of Music and Speech and have had extensive experience in performance and teaching modern and classical guitar.

Jenine Baillie
I have been teaching professionally for 5 years in schools and teaching privately for 12 years. I teach students from 6 years old to adults and enjoy the challenges of the variety of age levels. I strongly believe that all music helps in academic areas of study, especially Maths and English.

Lee Rogers
My name is Lee, I’m a professional singer and I’m thrilled to be joining the team here in the Music department at St Joe’s! I can bring over 30 years of experience in singing performance and interpretation, recording, stage presentation, and vocal technique across a broad range of musical genres with specialist interest in jazz, blues and gospel singing. I can offer individual, duo, or small group lessons and will work with you to highlight your unique talents and gifts!

For more information on my background follow Google Lee Gunness.

Nola Williams
I have returned to the St Joseph’s Music team this year, having taught several Choirs and Voice here at St Joseph’s six years ago. I have more than 20 years of classroom teaching experience combined with a passion for Music and the Performing Arts. I enjoy inspiring students to express themselves musically and am looking forward to preparing the Senior Primary Choir for the Catholic Schools Choir Festival this Year.

If your son/daughter is interested in playing an Instrument or Vocal Lessons, please collect a Music Form from the Front Office, or for more information, please contact Carolyn Coulson or Monique Calabro at the School on 86823655.

These Music Tutors still have places available.

Dear Parents

The Camp Quality Puppets have been invited to perform at your child’s school on:

**DATE:** Friday 4th April

**TIMES:** 9:00am F-2; 10:00am 3-6

We are an educational program, using puppets to deliver a fun and positive message about supporting children living with cancer and other serious illnesses.

The program is free, there is **no charge** to the school or the children.

The information shared aims to help children heighten their awareness of the need to care for and support others who may look, or be a little "different", particularly because of physical problems, such as hair loss, because of cancer treatment.

This program links well with Community Awareness and Personal Development in the school programs, and is most certainly not limited to schools with ill children. The contents relate very much to our children's contribution to a more caring society.

Over 4 million children in Australia have seen our puppets, and have been delighted as the characters come to life. The information is delivered to the children on their own level. Puppets have, for many generations, been a fantastic communication tool. We trust that your children will benefit from the lessons they will learn through listening to our stories.

Please feel free to join us at the performance if you're able to. If you'd like more information about the program, please do not hesitate to call the school or Shannon Mackowski, Primary School Program Coordinator.
