Welcome to Term 4.

I trust everyone is refreshed and ready to cope with the pace and events of the term.

Over the holidays there have been some changes to our landscape. Two major projects will be commencing shortly.

Both projects will be completed by Kym Clarke Construction. The first project is a Junior Primary outdoor learning area and will be located directly out from the current Foundation classrooms.

The second project is the ‘St Joseph the Worker Trade Skills Centre’ and this will be adjacent to the current Tech Studies area. These images are ‘impressions’ of the final solution.

You will have also noted that two schools signs were erected during the holidays, one is at the front of the school facing Mortlock Terrace and the other is situated at the end of the property near the Boarding House and can be clearly seen at the roundabout.

The new cubby house is nearly complete and we expect that students will have access to this in the next week or so.

During the holidays the School Sailing team travelled to New Zealand to compete in the Interdominion event for schools. Special thanks to all families for their involvement in getting students to New Zealand to represent our school and in particular to Mark Forbes the coach, for the endless time, effort and energy shown in all sailing events throughout 2014.

It is timely that we prepare and practice our Bushfire procedures. An updated bushfire policy will be sent home shortly with the youngest in the family.

Bernadette Lacey
Principal
We look forward to welcoming the kindy students who will join St Joseph’s School next year. This week and next week, Miss Denton and I will visit the kindergartens to meet the children. Following this, there will be a number of transition visits to school as we get to know each other in readiness for their first day as Foundation students in 2015.

Two sessions will be held, Session One from 12 noon-3pm, Session Two from 3.30pm-6.30pm.

Sports Report
The Year 7 Girls who travelled to Adelaide in Week 9 of Term 3 for basketball did an exceptional job of representing St Joseph’s, supporting each other and working as a team. The girls were playing basketball of an extremely high standard, losing two games and winning three. Thank you to David Reidy who did an amazing job of coaching the girls and was encouraging, positive, consistent and fair. Thank you to Nadia Nicholls and Jodie Sawley for supporting the team.

SAPSASA Athletics was held in Week 10 of last term. Several Year 6 and 7 students travelled with the LEP team and were great representatives of St Joseph’s School.

Music News
Congratulations to the Year 5 and 6 girls who represented St Joseph’s School so well last term at the Catholic Schools’ Music Festival. Special congratulations to Tasmin Durdin (Year 5) who was chosen to speak to the Governor, His Excellency, Mr Hieu Van Le.
Catholic Schools’ Music Festival
The Senior Primary Choir participated in this year’s Catholic Schools’ Music Festival at the Festival Theatre in Adelaide on the 22nd September. The students had been working hard over the last two terms learning lyrics and choreography to participate in the combined schools’ choir consisting of nearly 300 students. They sang their hearts out and represented our school very well in a successful and entertaining performance. Tasmin Durdin was one of the four students selected to meet the Governor prior to the performance. Congratulations and well done to Mrs Lee Rogers (Choir Director) and her very talented choir students, Tasmin Durdin, Holley Shepperd, Rebecca Kemp, Taylah and Indiah Kelsey and Jade Simpson.

Uniform Shop News
Second Hand money to be collected

Changes to the Uniform
As of Term 1 2015 the school is introducing a new grey school short/pant as part of the uniform for the boys. All boys will be expected to be in this new short/pant by Term 1 2016. These shorts/pants are comparable in price to the previous shorts purchased from Doug Watson’s Menswear. The Uniform shop will no longer be selling any of the old style second hand shorts or pants from Term 1 2015. If there is anyone who wishes to pick up their second hand shorts/pants which are still in the uniform shop (less than a year old) please do so by the end of this year.

2014/2015 School Captains and Vice-Captains

Last term the Year 11 students went through the process of electing our new School Captains and Vice-Captains through a number of liturgies, reflection speeches and interviews. It is my pleasure to congratulate our new School Captains and Vice-Captains who have commenced their roles at the start of this term, and will conclude at the end of Term 3 2015.

School Captains: Tessa Rusden Jesse Milton
School Vice-Captains: Lucy Guidera Malia Gynell Sam Clements Henry Lambert

Our new leaders were presented to our Year 7-12 community this morning at a special ‘Leadership Handover’ assembly. I am sure our new leaders will fulfil these roles with pride and respect and I look forward to working with them as they lead our school and community.

Relay For Life

On Saturday 25th to Sunday 26th October, 22 students and 5 staff members will participate in the Relay For Life at Ravendale Oval. This event not only raises funds for the Cancer Council of Australia, but shows our support for those who have suffered from cancer, and remembers those we have lost. The team has been busy getting organised and fundraising and our last event is a Sausage Sizzle outside Woolies this Saturday morning, so come along and buy a snag to show your support!

The very first lap of the Relay is the ‘Survivors and Carers Walk’, where those who have survived cancer or cared for someone, walk a lap together. All teams entered into the Relay line the track to show their support. If you are in this situation, or know someone who is, please let me know so I can register you for the Walk. A special afternoon tea is provided for Survivors and Carers after the first lap so it is important that they know the numbers. The Survivors/Carers Walk is at 2pm.

Year 12 Mass

Our Year 12 students will finish their formal lessons on Friday 24th October. All students and their families will celebrate a special Mass together on Wednesday 22nd October at 7pm in the Church. This will be a great chance for us to thank these students for their contributions during their schooling, as well as pray for their guidance over the coming weeks of exams and final assessments. All members of the School community are warmly invited to join us at this Mass.

MITIOG Parent Meeting

The Made In The Image Of God (MITIOG) program is a framework developed by the Catholic Education Office that outlines Catholic Education’s approach to teaching family life education, particularly the topics around human development, relationships, morals and human sexuality. The program has been mandated by the Bishops of the Diocese of Port Pirie and Archdiocese of Adelaide and all Catholic Schools in South Australia must deliver this program. The program consists of four themes – Being Human, Being Moral, Being Connected and Being Sexual. An opportunity for parents from Foundation to Year 9 to hear more information and ask questions about this program is outlined in a letter that went home to families today. There will be a Parent Information Meeting on Tuesday 28th October at 7.00pm in the School Staff Room for interested parents. The Being Sexual theme will not be taught in classes until parents have had the opportunity to attend this meeting.

If you have any questions, please do not hesitate to contact myself or your child’s Religious Education or Class Teacher.

End of Year R-12 Liturgy

Advance notice that the final End of Year Liturgy for the whole school, that contains the traditional “Shake and Take” farewell to the Year 12s by the Foundation students, will be held in the School Gymnasium on Friday 28th November at 10.00am. More details will feature in upcoming newsletters.
