Absentee Text Messages
We have recently re-established absentee text messaging via our new online student learning management system – SEQTA. Absentee text messages will be sent to Parents/Guardians of students who have an unexplained absence. Parents/Guardians can reply to the text message indicating the reason for the absence and the student’s full name. If you believe you have received a text message in error or believe that your son/daughter is present at school, please reply to the text message or contact us on 8683 2400.

Fantastic Opportunity
Today Barrie Rogers, Port Lincoln Airport Manager spoke to students detailing an exciting opportunity.

“One flight training scholarship is being made available with the generous support of a private benefactor with additional support from an Adelaide based flight training school, the Air Show Committee and the District Council of Lower Eyre Peninsula as owners and operators of Port Lincoln Airport. The value of this scholarship is approximately $15,000 and it will be awarded at a Gala Dinner to be held on Saturday, 15th of October.

The scholarship will enable the successful candidate to obtain a full unrestricted private pilot’s licence in their own time with the training delivered by a fully accredited flight training organisation. The ground school component comprising of self-study and tuition is currently being discussed with TAFE SA under an auspice agreement in order to ensure the theory component will attract SACE points. Should the student then wish to progress into a flying career, VET Fee Help is available to students transitioning through to their Commercial Pilots licence.

What do we want? We have sent this information to the five high schools in the immediate region and ask that students from Years 9-12 inclusive be given an opportunity to write a single page essay outlining any flying experience they may have had in the past (excluding airline passenger flights) and more importantly why they would like to be a pilot and what this would mean to them. Essays are due by the end of June, please mail to District Council of Lower Eyre Peninsula, PO Box 41, Cummins SA 5631.

Following assessment of the responses from each student we will generate a short list up to a maximum of five students from each school, who will receive a complimentary introductory flight by a qualified pilot in order to further assess their aptitude.”

If any students wish to apply for the scholarship and would like assistance with their application, Dr Hewson would be happy to assist.

Congratulations
Congratulations to Arley Byass, Brock Davis, Daniel Gobin, Joshua Bradford, Max Coote, Thomas Bradford and Toby Casanova on being selected in the SAPSASA Football Team.

Year 6 Fundraising

Last week three students in Year 6 held a ‘Biggest Morning Tea’ to raise money to support a school breakfast program in Fr Benjamin Mkuchu’s hometown, Tanzania (Morogoro).

Fr Benjamin was the priest at St Mary of the Angels Parish for three years. The students raised $107.
