Government of South Australia

Medication Agreement

for education and care

CONFIDENTIAL

HSP151

This information is confidential and will be available only to relevant staff and emergency medical personnel. *Medication Agreements that are modified, overwritten or illegible will **NOT** be accepted.*

The legal guardian or adult student can complete the medication agreement authorising education and care staff to administer medication as instructed. All sections of the 'Authorisation' section must be checked to confirm authorisation to administer in an education or care service by the legal guardian or adult student. *A treating health professional may assist the legal guardian or adult student to complete this form.*

A registered health professional (ie medical consultant, specialist nurse, GP, Dentist) **must** complete the 'Agreement' section for any Controlled Drug (S8) (including morphine, dexamphetamine and codeine), where oxygen or insulin is required to be administered in education or care, or where pain relievers (paracetamol or ibuprofen) are required to be administered regularly or for more than 72 continuous hours, Where midazolam is prescribed this must be documented on an INM Medication Agreement HSP153 form.

PARENT/GUARDIAN OR ADULT STUDENT TO COMPLETE:

Education or care service:			
Education or care service email: (if known)

AUTHORISATION AND RELEASE

☐	The medication documented above is required to be administered during attendance at the education or care service.
☐	The medication documented above is NOT a Controlled Drug (S8), oxygen, insulin or pain relief that requires administration for more than 72 continuous hours (if it is yes, 'Agreement' section must be completed by a health professional).
☐	Where the medication is a prescription medication; the medication has been prescribed for a current health condition.
☐	I confirm this medication has been administered to my child previously (a first dose cannot be administered in education or care).
☐	My child is well enough for school (no active fever, no diarrhea or vomiting, able to eat and drink as per normal, enough energy to participate throughout the day) and if there is a change in my child's health condition I will be called to collect them.
☐	I understand the medication provided must have a pharmacy label that matches the information in the Medication Agreement or the medication will not be administered.
☐	I approve the release of this information to supervising staff and emergency personnel (if required).
☐	I authorise the medication as instructed above to be administered in the education or care setting.
☐	I certify the above statements are true and correct.
